Greater Essex
CAREERS HUB

THE CAREERS & ENTERPRISE COMPANY

If not you, then who?

Business benefits to engaging with education:

Fresh perspectives and **ideas** from young people

Develop **future talent** through targeted encounters

Support **social value** objectives by integrating school engagement

Increase **brand** and company **visibility** both locally and nationally

Mentoring provides great **leadership training** for employees

Understanding **workforce expectations** to inform growth strategy

Careers education **bridges the gap** between education and industry. Work with us to **inspire** the next generation.

- **Flexible workplace visits, employer-led projects**
- **Volunteer with a school/college: careers talks, mock interviews**
- **Join a national network working to transform careers education**
- **Showcase career pathways and relevant curriculum links**
