Essex County Council | Sustainable Growth

The Apprenticeship Hub

Are you considering an apprenticeship?

The Apprenticeship Hub supports Year 10 to 13 students in learning about and finding apprenticeship opportunities.

Join for access to free online and in-person events, including mock apprenticeship assessment centres, CV and interview preparation sessions and opportunities to meet employers from a range of sectors.

How to join

Scan the QR code to register and get updates sent straight to your email, including:

- live apprenticeship vacancies
- event invitations
- careers information and opportunities
