Essex County Council | Sustainable Growth

The Apprenticeship Hub

Apprenticeship and careers support for young people

For students in Year 10 and above – whether you're exploring careers, looking for an apprenticeship or want to build new skills, we're here to help.

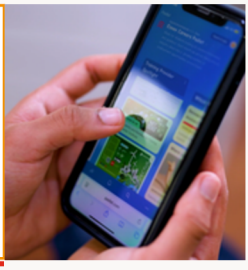

Looking for an apprenticeship?

Join the Apprenticeship Hub

Get the support you need to secure an apprenticeship, including live vacancies, mock assessment centres and employer-led webinars.

Unsure about your future career?

Check out our Apprenticeships and Careers Padlet

Explore career pathways, industries and opportunities to help you decide what's right for you.

Want to develop skills and confidence?

Complete a programme with We Rise-Youth Movement

Offers mentoring from Essex businesses, functional skills support, and an entrepreneurship programme to give you the tools to run your own business.
